Wodonga TAFE's Logic campus is housed in an ultra-modern, state of the art building, featuring the latest technologically advanced facilities and equipment in North East Victoria. This includes flexible teaching spaces, simulated work environments, and access to the latest technology with sustainable principles embedded into the facilities and training programs.

Facilities offered at the Logic campus include:
- eight classrooms
- a large workshop
- a driver training and testing circuit
- student kitchen facilities
- vending machines.

Students can now learn to drive heavy rigid and articulated vehicles in an enclosed training venue and can focus their full attention on learning to operate the vehicles without the distraction and risk that driving on public roads brings.

Please note there is no cafeteria service available at the Logic campus.

The facilities are open from Monday to Friday 8.00am to 4.30pm.
